Paul J. Braaton, MD

Modesto, CA 95355

Dear Dr. Braaton

This is to make you aware of the conference entitled "End of Life Care: A Christian Perspective" which will take place in Modesto, California, May 5-7, 2006. A brochure is enclosed. This excellent program is an initiative of the Central California Guild of the Catholic Medical Association. I recommend that you consider attending all or part of this informative conference.

A guild of the Catholic Medical Association is also being formed in the Sacramento area. It is my hope that you would consider joining the soon to be formed Northern California Guild of the Catholic Medical Association. God willing, we could have our own conference in 2007.

Be assured of my prayers and best wishes.

Sincerely in Christ,

WILLIAM K. WEIGAND  
Bishop of Sacramento
