Dear Bishop Blaire,

Dr. Paul Braaton, regional head of the Catholic Medical Association (CMA), and Dr. Robert Forester, president of the local Guild of the CMA, have asked me to serve as their guild's chaplain. Dr. Braaton had emailed you, and you emailed a response on February 7, approving my appointing for one year. You asked that I send a letter to you requesting the appointment. May I be appointed by you to serve as local guild chaplain to the Catholic Medical Association for one year?

Sincerely in Christ,

Rev. Joseph Illo
