Dear Colleagues,

We would like to invite you to the First Annual W.L. "Larry" Cooke Memorial White Mass Banquet on Wednesday, October 18th at the home of Dr. Stephen and Anne Endsley.

As most of you know, Larry Cooke was a beloved internist with the McHenry Medical Group, who passed away ten years ago. He was a Renaissance man and a faithful Catholic who perpetuated the annual celebration of the White Mass for the physicians in Modesto.

In his memory, we are renewing the tradition of the Annual White Mass on Wednesday October 18th – the Feast Day of St. Luke, patron of physicians. Mass will begin at 5:45 pm at St. Joseph's Catholic Church, 1813 Oakdale Road, two blocks north of Briggsmore Avenue. Our celebrant will be Bishop Stephen Blaire. Physicians of all faith traditions, their spouses and interested members of the community are invited to attend.

Immediately following the Mass will be the Banquet at the Endsley's home. After a reception and dinner, our speaker will be Clark D. Forsythe, Esq., speaking on "The Future of Conscience in American Medicine."

Tickets for the banquet are \$35 each and must be purchased by October 11th. We hope you will join us for a stimulating evening of ethical thought, collegiality and celebrating the memory of Larry Cooke, M.D.
